We offer a wide selection of destinations and themes to fit your desired vacation. Whether you are looking for a yoga retreat, a spiritual experience, some adventure, or even just a break from your daily life, Islands Express is here to help! We travel to destinations such as Bali, Costa Rica, Thailand, and Mexico. Each location is carefully chosen to ensure a perfect balance of beauty and safety. All of our tour guides have spent several years living in and visiting all locations. We can offer a true cultural experience that many tour companies fail to achieve. We work extensively with our clients to provide a tour that is uniquely designed to fit the needs of the group. We do not offer a one tour fits all!! During each tour we provide several different options for sightseeing. This allows each member of the group to determine what they would like to experience on their vacation, and more importantly, at what pace. We believe that there is nothing worse than spending your hard earned money and valuable time off, visiting tourist sites that you are not interested in! We invite you explore Islands Express and the remarkable tours we have to offer. We look forward to vacationing with you!
